6. From the 12" X 2" strip that was set aside, cut 4.75" from the end including the 1" score line. Cut strip in half lengthwise to create two strips 1" X 4.75" with each strip having a score line 1" from the end.

7. Cut patterned paper for each panel and cut 1 strip for the back sentiment from plain card-stock.

NOTE: Use two different paper patterns and/or colors for contrast; one for inside one for outside of box.

- a. 1- inside back 2.5" X 6.25" (next to tab)
- b. 1- outside back 2.5" X 6.25" (next to tab)
- c. 3-lower outside 2.5" X 3.5"
- d. 6-upper (sides and front) inside and outside 2.5" X 2.5"
- e. 1- white card-stock panel for outside back 2.25" X 6"
- f. Optional - add sentiment to back panel or hand write your note.

CARD ASSEMBLY

1. Lay box flat and adhere patterned paper to box using different patterns for inside and outside.
2. Fold box adhering the tab to the inside of the open edge with double sided sticky tape.
3. Glue or tape 1" X 4.75" strip to the inside of the box. Line-up the folded tab edge against the backside of the box and glue the side of the tab to the box side. Turn box and adhere second strip to the box.

4. Adhere different embellishments to inside tabs using sticky tape, pop dots or glue dots. Make sure the embellishments do not hand out the sides of the card when folded.
5. Cut thin strips of acetate 2-3" long and adhere several embellishments to the strips. The strips will wiggle and add more "fun" to your box card.
6. Decorate the front flap with embellishment and ribbon.
7. Add your sentiment or note to the back of the card.
8. To mail, fold the card flat. Extra postage will be required.
